Belmont Postmaster Suffers Leg Injury

BELMONT, May 5.—Mrs. Kathleen Rousseau, Belmont postmaster since 1923, is in Mills Memorial Hospital, San Mateo, suffering a double fracture of the left leg incurred late Monday night when she fell in front of her home, it was revealed today.

It was reported Mrs. Rousseau tripped over lumber piled in front of her house on El Camino Real. The lumber was to be used in widening construction of the arterial. She is expected to remain at the hospital several weeks before she can be transferred home.

Sequoia 'Apartment' To Be Redecorated

The model apartment at Sequoia high school will soon be all dressed up in new curtains to go with the new coat of paint received recently in the general redecorating at the school. The curtains have been purchased by Miss Marjorie Landers' food and dietetics class, which sponsored numerous sales of baked breads and cakes to finance the purchase. Proceeds from the sale financed purchase of a lace table cloth for use in the apartment. Students of Miss Marion Hosmer's sewing class will begin making up the curtains late this week.

New Store Building Planned By Pellarins

Revealing plans to construct a $14,000 two-story concrete dwelling and store at the corner of Roosevelt avenue and El Camino Real, a permit issued to Sante and Flora Pellarin, owners of the Superior Ravioli Factory, was on file with Building Inspector I. C. Drathman today.

The new building will house his ravioli business, Pellarin said, which had been located at 1710 El Camino Real, next door to the proposed location. Living quarters will be provided in the second floor above the store, the permit stated.

Option to Buy Will Be Taken On Properties

Land Thus Available Near Harbor Site For Industry

Leasing of the 46 acres of privately-owned unimproved land adjacent to Redwood City's municipal port, now being constructed, was agreed upon by the city council Monday night.

Acting on a report submitted by a council committee, which informed members that such a lease could be obtained or that the property could be purchased outright for $1500 an acre, the council voted unanimously to effect a 10-year lease at once, with options to buy.

Thus, if the property is sought by industry, the city will be in a position to offer it at a known-in-advance price, it was pointed out.

Through Mayor Paul A. McCarthy, the committee — which was composed of McCarthy, City Manager C. L. Dimmitt and Port Commission Pres. E. B. Hinman — reported that the six owners of the property had tentatively agreed on the lease plan.

RENTAL AT 4 PER CENT

As rental, the city will pay 4 per cent of the purchase price (at the rate of $1500 an acre) per year, plus taxes. This, Mayor McCarthy and his committee reported, would be $2640 at the rate of 4 per cent and $122.76 in county taxes, at the current year's rate. In addition, the city would forfeit the right to tax the property in event it is taken into the city at the annexation election called for next Tuesday.

Total cost of all the property if purchased would be $66,000. This could be purchased over a 10-year period, or all at once, under terms of the option-lease which the council authorized City Atty. Albert Mansfield to prepare and execute. Attorney Mansfield is to attempt to obtain one-year cancellation of lease clauses for the city only in the contracts, under terms of the agreement passed on motion of Councilman Evans A. Fletcher, second of Louis Christensen.

PORT MAY EARN LANDS

Before the question came to a vote, Port Commissioner H. W. Edmonds, secretary of the commission which unanimously recommended purchase or option by the city of the lands located between the port site and the yacht harbor, predicted that the port itself would earn sufficient to pay the annual rental cost within a year and that within five years the earnings could be utilized to purchase lands outright, so promising is the development becoming.

Julius Smith, local realtor, who happened to be present at the council meeting, told the council he believed the move a "very, very smart piece of business," and "almost imperative."

In making its recommendation, the committee composed of McCarthy, Dimmitt and Hinman declared:

"The long-term lease with option of purchase will secure the control and use of these lands, which accomplishes for the time being the desired result."

Outright purchase at the present time, the committee pointed out, "seems inadvisable on account of the heavy costs incurred in dredging the channel and constructing the port facilities."

Of the 46 acres, the committee reported, 10 are owned by the Valley Coast & Warehouse Company; 4½ by George A. Merrill and the Bubblestone Company; 3 by J. M. Eva; 2½ by the Redwood City Realty Company; 2 by the Beeger Tanning Company, and 24 by the Redwood City Harbor Company.

It had been feared that the city could not now obtain the land for $1500 an acre — price paid for the 12½ acres upon which the port facilities are being built. Filling of the land, being done by the city in order to deepen the channel, will enhance the value of the land from $1000 to $2000 a acre, under various estimates.

New Directory To Be Issued

Work of canvassing Redwood City and surrounding territory for the 1937 city directory starts today, according to an announcement by J. M. Hynes, who is in charge of the canvass for R. L. Polk & Co., the publishers.

Due to business conditions, no directory of Redwood City has been issued since 1933, but an increasing demand for an accurate reference medium, and an improved state of business prompted the publishers to issue a volume this year. Besides showing many more names, due to increased population, the new issue, Hynes stated will show changes of some sort in 75 per cent of the names, when compared with the previous issue.

The directory will list all adult residents of Redwood City, Atherton, Belmont, Emerald Lake, Menlo Park and Woodside, showing occupations, places of employment, and wives' names. It will also contain a classified business directory, a numerical telephone guide and a householders directory of Redwood City, designating home owners.

Copies of the new directory are sent free by the Polk organization to directory libraries throughout the country, and directories from other cities come to the directory library maintained at the chamber of commerce here for free reference by the public.

Annual College Day Set for May 19th

San Mateo Junior College is planning its annual college day for the high and low seniors of the high schools of the county for Wednesday, May 19. "Go to college for a day" will be the theme, with the 700 high school students visiting classes, being introduced to college activities, and entertained with a noon luncheon, a student assembly, and a one-act play. Sequoia, Burlingame, San Mateo, South San Francisco, Jefferson, Pescadero and Half Moon Bay high schools will all be represented at the college day.

Senate O. K. Is Foreseen

With congressional action apparently assuring San Francisco's right to additional air services, Jack Frye, youthful Trancontinental and Western Air, Inc., executive, was in San Francisco Wednesday inspecting Mills Field as the proposed base for an air line that will link the bay area directly with New York, Chicago, St. Louis and Kansas City.

The line is expected to be in operation by this summer, according to Frye.

Echoing Frye's confidence was Congressman Franck R. Havenner. He wired Utilities Manager Edward G. Cahill that the amended postoffice appropriations bill, which provides for a new transcontinental mail line from San Francisco to New York had passed the house and appeared about to pass the senate.

Senator McAdoo had announced yesterday in Washington that funds were assured in the postoffice bill for the San Francisco-Winslow-Albuquerque air mail route.

The airliners from San Francisco will join TWA's present route at Winslow or Albuquerque, with an intermediate stop at Las Vagas, Nev.

Home Economists Set Monthly Meet Here

Home economics teachers at Sequoia high school—Misses Mildred Proctor, Marion Hosmer, Marjorie Landers and Elsie Machado—will be hostesses Saturday at the monthly meeting of the Bay Section Home Economics Association, to be held at Sequoia.

Principal A. C. Argo of Sequoia will be the main speaker of the day, discussing "Home Economics from the Administrator's Point of View."

Annual business meeting of the association will be held, with election of officers for the coming year.

Teachers attending the meeting will be served luncheon in the Sequoia cafeteria by women of the First Methodist Episcopal church.

Deputy Sheriff Wins Exoneration at Trial

Judge A. R. Cotton today exonerated Deputy Sheriff Matthew Farrell of any blame in connections with injuries suffered by George W. Jones Jr. of San Francisco at an August 26, 1934, picnic at the New Portola Picnic Grounds.

The judge dismissed Jones' suit for $8300 damages he asked of Farrell, the Butchers' Board of Trade and Mr. and Mrs. Andrew Mangini, owners of the picnic grounds.

Jones had charged that he was struck on the shoulder by Farrell's club as the officer pursued disturbers at the butchers' picnic. Farrell was represented by Dist. Atty. Gilbert Ferrell.

'Cannonball' Service Begun

Inaugurating a new coast-to-coast cannonball air service, the first ship of United Air Lines fleet of 14-passenger Douglas Skylounges was launched yesterday at Mills Field.

With Mayor Angelo Rossi giving the signal which sent the monster plane roaring down the runway, the de luxe trans-continental service was inaugurated promptly at 6:45 p.m. Fifteen hours and twenty minutes from the time the giant sky liner's wheels left the ground at Mills Field, the 12-ton ship arrived in New York, a new record for commercial aviation.

The coast-to-coast flight was made with only three intermediate stops—Salt Lake, Cheyenne and Chicago. Equipped with two fourteen-cylinder, twin-row Wasp engines, the new ships have a cruising speed in excess of three miles a minute, a top speed of 210 miles an hour and a cruising range of 1500 miles.

Passengers aboard the modern Skylounges will be surrounded by all the luxuries of a palatial club car, according to S. A. Stimpson, district traffic manager for United. The 27-foot cabin salon is equipped with overstuffed swivel chairs, galley, stewardess compartment and lavatory.

A corps of especially trained stewardesses, whose duties alternate between entertaining air travelers and providing them with piping hot meals, have been assigned to the new sky liners.

With the launching of the de luxe service, Stimpson said, United will inaugurate the first extra fare service adopted by any commercial air line. Because of the limited passenger accommodations and the extra service provided, an extra charge of $4.00 will be made between San Francisco and Chicago and an extra charge of $5.00 between San Francisco and New York.

Senate Approves Parkman's Bill On Sit-Downers

Before the state assembly today, after its approval in the senate, was the bill of Sen. Harry Parkman of San Mateo county making sit-down strikers guilty of criminal trespass.

The Parkman bill was passed without opposition in the senate and marks the second enactment by that body against sit-down strikes.

Under provisions of the new law it will be a misdemeanor "to enter upon the real property in the possession of another, or remain thereon without a claim, made in good faith, of a legal right to possession, and without the permission and against the expressed will of the person entitled to possession of said premises, or his agent."

Breeding troubles, lowered production, and difficulty in raising calves are more evident in the winter following a dry year.

Second Man Hurls Self Before Car

Transient Is Believed To Have Taken Life On Bayshore

Believed to be the second person in four days to commit suicide on the peninsula by hurling himself into the path of an automobile, an unidentified man, apparently a transient, lay dead today in South San Francisco.

His death Saturday night beneath the wheels of a machine driven by Charles Kluckhuhn, 48, San Francisco, was similar to that of John O'Connor, 36, San Francisco, whom authorities believe took his life in Redwood City Thursday by dashing headlong into a truck.

DRIVER NOT HELD

Finger-prints taken from the corpse as it lay in the Nauman and Muzio funeral parlor in South San Francisco may establish the man's identity. The prints were being rushed to Washington today.

Kluckhuhn, according to Capt. Paul Perussina of the highway patrol, was driving in the slow lane of the Bayshore highway near the Brisbane intersection, when the man suddenly loomed directly in the path of his car. Kluckhuhn said he was driving only 35 miles an hour, but found it impossible to avoid hitting the pedestrian. The driver was not held.

TATTOO MARKS FOUND

Tattoo marks, clothing labels, and two seals, similar to those used to seal gas meters, were examined by police as possible means of identification. The tatooed initials "F. B." were believed those of the victim.

The traffic death, the county's 18th for the year, was the highlight of a week-end that was unusually free of accidents, despite heavy traffic drawn forth by balmy weather.

PATROLMAN IS SUED HERE

Charging cruelty and asking custody of their two children, Mrs. Ann E. Quinn of San Carlos has sued for divorce from Frank S. Quinn, county highway patrolman. The couple, married in Redwood City 15 years ago, have two sons, Frank, 13, and James, 11.

MENLO PARK NEWS NOTES

Manuel De Silva and Miss Kay Larou were married at Reno last Saturday. The marriage was a big surprise to the couple's friends. Mr. De Silva, better known to companions as Manuel, is one of the owners of the Staple Liquor Store on the highway. The pretty bride lives at Atherton.

Miss Irene Marion of Canada, Miss Pauline Smith, Seattle; Miss Ruth Rugaard, Walnut Grove, and Miss Lorraine Debenedetti, San Mateo, were dinner guests of Carmel O'Keefe at her home on Oak Grove avenue Tuesday. The dinner was in the nature of a class reunion, as the girls were school mates at the Sacred Heart Convent here.

Another carnival is coming to town. Only last month there was one here. The carnival is always well patronized in Menlo Park, hence they are anxious to come.

Two marriages are scheduled in Menlo Park for June. The brides-to-be reside here, while the young men live in Palo Alto.

Major and Mrs. Leon French, who formerly resided on Santa Cruz avenue, celebrated their silver wedding anniversary at their new home in San Mateo last week.

San Mateo County Past Presidents' Association No. 9, Native Daughters of the Golden West, had a dinner at the home of Mrs. Catherine Derry on Pine street Thursday. Mrs. Annie Doyle was co-hostess.

The following delegates and members of Menlo Park American Legion Auxiliary will attend the 26th District meeting in South San Francisco tonight: Dora Scott Devol, Elizabeth Lyon, Ethel French, Clarissa Ross and Isabelle Weeden Lindquist.

Mrs. Anna Bush was installed second vice president of Menlo Parlor No. 211, Native Daughters of the Golden West, Tuesday night by Isabelle Weeden Lindquist of Menlo Parlor, who is district deputy grand president to Vista del Mar Parlor in Half Moon Bay. A large number were present at the meeting and plans for the Grand Parlor in San Jose in June were completed. President Eleanor Ryan will act as delegate and First Vice President Louise Murray will be alternate.

The local scout troop is giving a card party in Central School auditorium Friday, May 14, at 8:15. Score cards will be 25 cents.

Mrs. J. E. Weeden and her nephew, Thomas Sexton, have returned to their home on El Camino Real after spending the winter months in San Francisco, as is their usual custom.

Honoring Mr. and Mrs. L. G. Meyer of Redwood City on the occasion of their 35th wedding anniversary, Mr. and Mrs. Ben Rice of Menlo Park entertained members of the immediate family at dinner. Present besides the honorees and hosts were Dolly Jane and Leslie Rice, Mr. and Mrs. Harry Edmonds, Harry Edmonds Jr., Stanley and Stewart Edmonds of Palo Alto.

Mr. and Mrs. Matt Ramezane and son, Matt, who have been residing in Menlo Park, have removed to their new home on the Bayshore highway and Dumbarton avenue in East Palo Alto.

The Ramezanes recently came from Gilroy where Mr. Ramezane was past commander of the American Legion post, past president of the chamber of commerce, and active in the lodge of Benevolent Protective Order of Elks. He plans to open a business in East Palo Alto.

The new Menlo Oaks home of Mr. and Mrs. Wesley Angel was the setting for a tea yesterday afternoon in honor of Miss Althea Warburton, whose engagement to Henry Porter Blanchard was announced some time ago at a luncheon given at the Hotel Mark Hopkins by her mother, Mrs. Alfred N. Warburton. Hostesses were Mrs. Angel and Mrs. Dale Thomas.

FRANCHISE TAX FACED BY UTILITIES

Lesson Taken From S.M. Where Large Sum Realized

Taking a lesson from a sister city on the north—San Mateo—which last week secured a cash settlement of $12,250 in back franchise taxes and a 50-year agreement with the Pacific Gas and Electric Company which will net an estimated $192,000, the City of Redwood City, through its city council, Monday night voted to require frachises of all utilities operating in this city.

City Atty. Albert Mansfield was authorized to draft an ordinance requiring such franchise taxes to be paid by utilities. While the power firm is expected to be the heaviest contributor under the ordinance, all utilities, including the telephone, telegraph and railroad firms, will be affected, it was pointed out.

REJECT OUTSIDERS

Power to impose such a franchise tax has been available to the city for some two or three years, it was explained, but has never been assumed by the council.

In authorizing Mansfield to prepare the ordinance, the council rejected an offer of the firm of Kirkbride & Wilson of San Mateo, who negotiated the settlement in San Mateo with the P. G. & E., to draft the municipal law.

Through Ernest Wilson, the firm had proposed the ordinance to the city, and asked to be employed, at a cost of $250, to prepare the law.

ACQUISITION UNAFFECTED

But with City Attorney Mansfield replying "absolutely" to a question as to whether he could draft the ordinance, the council voted unanimously, on motion of Councilman James M. Eva, second of Councilman George McNulty, to have the ordinance prepared for submission to the council as soon as possible.

Granting of a franchise to the P. G. & E., it was explained, would not jeopardize the city's move to acquire the power distribution system of that firm, as contemplated. Valuation of the company's system is now being determined by the California Railroad Commission.

ERICKSON GAINS FREEDOM

SAN MATEO, May 5 —John Erickson, who resides at Redwood City Yacht Harbor, today was at liberty on $150 cash bail, posted with Municipal Judge Arthur H. Stetson of San Mateo. Erickson was arrsted on a reckless driving charge.

Crocker, Banker, Snared in Speed Net

SAN MATEO, May 5 —William W. Crocker, 43, of Hillsborough, vice-president of the Crocker First National Bank of San Francisco, will appear in the court of Justice of the Peace Hugh Mullin Jr. of San Mateo to answer a charge of speeding.

Crocker was arrested Sunday night on the Bayshore highway by officer James Dalzil, after being clocked "at 70 and better from Palo Alto to Belmont." Dalziel reported traffic was heavy.

Persons contract silicosis only after long exposure to silica dust, usually 10 to 20 years.

Head Injury Suffered By Harold Allee

Having incurred severe scalp wounds when a rock rolled off a bank and struck him in the head late yesterday, Harold Allee, 30, road worker residing at 811 Arguello street, Redwood City, was recovering today in Mills Memorial Hospital.

The accident occurred at Byrns Stone Quarry at Emerald Lake where Allee was working with a San Mateo county road crew. He was employed as powder man. He received emergency treatment from Dr. Robert Monteith, who said he expected the injured man to be back at work "within a few days."

DEDICATION OF CHURCH DRAWS MANY

High Catholic Officials Consecrate Building For Worship Use

At a solemn high mass, attended by many high Catholic officials, the new Mt. Carmel Church was dedicated Sunday before an audience that taxed the capacity of the Catherine and Grand streets edifice.

Present in magnificent ceremonial robes was the Most Reverend Archbishop John J. Mitty, D.D., who blessed the church and spoke briefly on the place the church occupies in the life of a Catholic.

The throng which attended the devotional service were greatly impressed by the new liturgical altar.

The new church will take the place of the old one that has stood so long as to be a landmark at the corner of El Camino Real and Easter Brewster. This structure will be razed.

Assisting the archbishop at the mass were Very Rev. Joseph Nevins, D.D., S.S.; the Rev. Harold Collins, Ph. D.; the Rev. Hugh A. Donohoe, Ph. D.; the Rev. James M. Corbett, S.J., and the Rev. Maurice J. O'Keefe.

Father J. P. Cavanagh is church pastor.

Democratic Luncheon Invitation Extended

An invitation to local and county Democrats to attend the daily Democratic luncheon at the Hotel Whitcomb, San Francisco, was extended today by H. H. McPike, United States district attorney.

McPike said that purpose of the table was to give Democrats from counties outside San Francisco a chance to meet each other and the bay city Bourbons, exchange views and "make for a social harmonious relationship for co-operation in the campaign that is coming."

Exchangites Honor Guests

Redwood City Exchangites entertained nearly a score of guests Tuesday when they met at Sequoia Hotel for a "Guest Night."

Principal speaker of the evening was Harry Hall of San Bruno, school superintendent there and a member of the club in that city. He told of the objectives of the National Exchange Club, to which the Redwood City club belongs, and of local clubs.

National objectives, Hall stated, are service to aviation, community welfare, discouragement of excess lawmaking, reduction of taxes, "Sunshine Special"—the giving of an outing on the second Tuesday in August to underprivileged children—citizenship training, service to agricultural, and anti-Communism.

Also giving brief talks were Leonard Casanova and James M. Eva, club members.

Casanova, assistant football coach at Santa Clara University, declared the prospects for the football season at the university next year excellent, and predicted that Lou Farasyn of Redwood City would be a first string guard and Jack Roche, another Sequoia graduate, would make a strong bid for the back position vacated by Don DeRosa.

"Roche is doing a wonderful ball carrying job. If he can improve his passing, he'll make a strong bid for DeRosa's place," Casanova predicted.

Eva told of chances for his Sequoia swimming team in the coming Peninsula Athletic League meet Saturday afternoon, declaring he believed the varsity would do "fairly well" in the event. He said that Junior Takahashi likely would set a new record in the backstroke at the meet.

Edmund Scott presided as master of ceremonies at the meeting. Pres. C. L. Stokes was chairman.

Low Electric Bills *Yes, low bills from special low electric cooking rates now in effect.*

Super Speed Cooking *from improved units that build up clean heat as fast as food will cook.*

Automatic Cooking *The new electric range with oven time clock runs itself — takes complete charge of your cooking.*

IT IS truly marvelous the way an automatic electric range takes charge of cooking. You may put a complete dinner in the oven in the morning, set your oven timing clock, leave the house for the day and the current will turn on and off at the hours you specify on the clock. So when you arrive home that evening your entire dinner of meat, vegetables and dessert is ready to be served.

See these fine ranges that perform such kitchen magic. Buy now and save fifteen dollars. Right now, too, electric rates for cooking are very low. Investigate electric cookery for your home.

SAVE $15.00

This month only you can save $15 on a completely automatic range that sells for $139.50 or more.

DEPUTY WARDEN DISCOVERS UNUSUAL, DISTORTED BURL

Declared by tree experts to be "very unusual," a giant, distorted burl—excrescence that grows on redwood trees—was discovered recently by Walter Smith, dispatcher in the county fire department, as he was on a hike through the heavily wooded region just north of Memorial Park.

Growing perpendicularly and boasting a number of long shoots, the growth does not at all resemble the usual burls, which are small, rounded and seldom anywhere near as large as the one shown in the accompanying picture.

Smith, seen holding the burl, has the freak growth on display at the fire warden's office at Marshall street and Jefferson avenue.

County Agricultural Commissioner Max Leonard said the burl is unsual because of its size and distorted shape, besides the large number of adventitious buds which can be seen sprouting from the main body of the burl.

Commissioner Race at Sequoia Gets 18 Entries

A total of 18 Sequoia high school juniors had filed to run for office as commissioners for the coming year when acceptance of nomination petitions closed Monday afternoon at 4 o'clock at the high school, it was revealed by Donald Bogie, dean of boys.

James Nechams is unopposed for the office of commissioner of welfare, as is DeDe Rove for that of Commissioner of boys' athletics. Virginia Ashford and Lai Chuck will compete for the position of commissioner of finance and May Coats and Gerene Allsberry for that of commissiones of girls' athletics.

Keenest competition is for the post of commissioner of boys' activities, with five seeking that position—William Jenkins, John Dusel, Leslie Walker, Harry Killpack and Charles Sturz.

Jack Duttweiler is unopposed as a candidate for commissioner of publications and Shirley Bright that of commissioner of publicity.

Robert Manning will oppose Ted Cole for the post of commissioner of cultural activities, and Margaret Steele, Marie Anderson and Donna Gardner will compete for the position of commissioner of girls' activities.

SAN MATEO, May 4.—Mrs. Margaret Deasy, 88, of San Mateo, died Sunday at her home following a lingering illness. She had been a San Mateo resident for 15 years. Deceased is survived by two sons. Her husband, Patrick C. Deasy, died in 1898.

Toastmasters Hear Program Of Varied Talks

Air crashes, strikes, schools, magazines—this was the speech "fare" set before the Toastmasters Club Monday evening at their weekly dinner meeting in the social hall of the Methodist church.

Harold Anderson, in a speech which won hearty praise from Critic Harvey Hall, predicted that until airplane companies schedule shorter flights and give pilots sufficient gasoline to retrace their routes in case of difficulty, air smashups will continue to create headlines of death in world newspapers.

From the present crop of sit-down strikes will grow either a strong third party, such as the English labor party, or the present labor party will merge with or gain control of the Democratic party, Cliff Walk predicted in a talk on "Sit-Down Strikes."

Andrew Spinas, with "School and Community Relationship" as his topic, urged citizens to attend school assemblies to lend incentive to student programs and work, and declared that parents, especially, should come early in the school year to become acquainted with principal and teachers.

Mark Nesbit told of the development of the "Readers' Digest." Chairman of the meeting was Louis McAtee.

Seven Remain In Race Here

Two hours more of discussion of the qualifications of the various candidates for the position of manager of Redwood City's port were held by the Board of Port Commissioners when they met in the chamber of commerce office Tuesday night.

As a result of consideration of the pros and cons of the problem of naming the manager, it was decided to delay appointment of a man to the post until at least the next meeting two weeks hence. It had at first been considered possible that a decision might be reached last night.

A check of the qualifications of all the seven candidates being considered will be undertaken during the fortnight before the May 18 meeting, members decided.

While two more names were introduced last night—those of Ernest Johnson and William D. Gilboy—members seemed to feel that the choice lay between those previously considered. They are James J. Jones, Thomas R. Nielsen, O. H. Friz and Henry deP. Teller, all of Oakland; Walter F. Murphy, Burlingame; O. E. Fisher, Santa Cruz, and J. K. Black, San Francisco.

$68,000 PAID FOR 109-ACRE LOCAL TRACT

Sale of 109 acres south of Redwood City for $68,000, with a total investment of $80,000 planned for a subdivision, was revealed today by filing of a deed with County Recorder T. C. Rice.

The property was sold by Harry B. Friend and Gussie Friend to David D. Bohannon, San Mateo real estate developer.

Included in the purchase is the land between Friendly Acres and the underpass on the Bayshore highway.

According to Friend, Bohannon plans to subdivide the property, with his total investment expected to be over $80,000.

The purchase includes two parcels, one of 29 acres and another of 80 acres, the deed showed.

Bohannon, prominent as a leader in the fight for peninsula rapid transit, has developed other acreage south of Redwood City.

Burlingame Chamber Secretary Resigns

BURLINGAME, May 5 —Alice B. Van Bergen, secretary-manager of the Burlingame Chamber of Commerce for the past 8 years, has announced her resignation effective June 1. Directors named Granville Browning, secretary-manager of the Hayward chamber, to fill the post.

Mrs. Van Bergen said the resignation was because she wished to return to private life.

Seven-Bloom Plant Proves Not So Rare

That the seven-headed oyster (salsify) plant recently found and brought to the Sequoia high school biology department was not so rare as at first thought was revealed during the past week, when a veritable epidemic of such specimens was revealed as numerous multiple-headed oyster plants were brought to the school by various people in the community for examination and classification.

Research on characteristics of the plant has revealed that it has a tendency to malformation of the stem, caused by a germ mite which attacks the plant, resulting in several stems and blossoms becoming fused into one, according to Lawrence Hatch, biology teacher.

A more rare specimen is a four- or five-headed rose found by Mrs. Anne Bigler, Sequoia biology instructor, in her own garden and taken also to the school for examination by the students.

1300-Acre Ranch Sold for $45,000

More than 1300 acres of an historic Pescadero ranch changed hands Wednesday. Deed for a large portion of the Rancho Punta Del Ano Nuevo for $45,000 was filed in the County Recorder's office.

Dorothy S. Shearer and Harry B. Steele, executors of the estate of Frank B. Steele, late Pescadero pioneer rancher, sold the property to C. F. Humphrey, San Francisco attorney.

S. C. Man's Sister Succumbs in S. F.

Esther L. McChesney, wife of Harry M. McChesney of San Francisco and sister of E. R. Burton of San Carlos, passed away at her home in San Francisco late Friday evening of heart trouble. She had been ill for the past six months. The two McChesney children, Burton and Ida Mae, have been living at the Burton home for the past several months.

EX-R. C. RESIDENT DIES

Word reached here today of the recent death in Eureka of Harry E. Lowell, lumber company executive, former Redwood City resident and step-son of W. H. Kinnie, sheriff here 30 years ago. Surviving is his mother, Mrs. Nettie Kinnie, who lived with Lowell at Eureka. Lowell was formerly a chemist in the S. H. Frank & Company tannery here.

County Teachers To Hear Almack At S. M. Meeting

Members of the faculty of Sequoia high school will go to San Mateo High School next Monday evening to attend a dinner to be given by the governing council of the San Mateo County Teachers' Association to which all teachers in the county are invited.

Guest speaker will be John C. Almack, director of the California State Teachers' Association and president of the Palo Alto board of education, whose topic will be "The Teacher of 1937."

Problems of classroom teachers will be considered in a discussion directed by Dr. Frank Stanger, chairman of the committee studying salary conditions. S. S. Mayo, Sequoia night school principal, will participate with Dr. Stanger in a discussion of "Salary Studies in San Mateo County." O. H. Olson of Roosevelt High School in Burlingame will lead a consideration of the "Status of Tenure," and Joseph DeBrum of Sequoia another on "Present Trends of Professional Growth."

CANDY MAKER FOUND DEAD

SAN MATEO, May 5.—Funeral arrangements were pending today for Nick Kurdes, 50, partner in a San Mateo candy store, who was found dead in his room at 7:45 a.m. today at the home of Mrs. Daisy Burnette, here. Death was believed due to a heart attack.

TO RENEW P.O. CAMPAIGN

BURLINGAME, May 5.—Undismayed by reports from Washington holding out none too promising prospects of success for funds for a new postoffice, the Burlingame Chamber of Commerce postoffice committee today determined upon an aggressive campaign. The committee will request Congressman John J. McGrath to make a determined effort to obtain the funds in the forthcoming treasury postoffice appropriation bill now before congress.

Honor Patrol To Be Chosen

Over 700 Scout campers will "pull in" at "'49er's Camp" Saturday morning near Redwood City for a two-day stay. Eighty patrols representing 43 troops from every part of the county will be judged for ability to keep camp in Scouting style. Class "A" teams will be eligible for competition in the regional camporal next fall.

Troop 10, Burlingame, leading qualifier in last year's meet will attempt to defend its record of camping teams in Northern California. New strength in the southern divisions threatens the supremacy of Troop 70 and other local units.

HOW TO GET THERE?
Drive to entrance of Sequoia High School.
Turn northwest and follow arrows on street just north of school gate.
All patrols must be on the grounds by 10 a.m.
Parents and friends of scouts are invited to visit the camp both Saturday and Sunday.

SILVER CUP PRIZE

The winning patrol for 1937 will be chosen from the teams which qualify according to specifications set by the National Council, B. S. A. The most proficient patrol will receive a silver cup as a token of its victory.

The camp site is "Happy Land," on the Hassler Health home property, west of Redwood City.

The comporee committee, headed by Noel Arthur, has worked out plans for the 1937 Scout derby which will make it the most interesting meet from both the participants' and the spectators' viewpoint. The council's leading campers and scoutmasters have been working on Arthur's committee.

PARENTS INVITED

Parents and friends of all scouts are cordially invited to watch the proceedings of the week-end. During the 24-hour stay on the grounds, all patrols will be displaying camping skill along with a general knowledge of Scouting by setting up camp and by solving a problem as directed by the judging committee. The camporee will be a real show of American boyhood.

Members of the camporee committee and the Knights of Dunamis, national Eagle Scout fraternity, will handle the organization and judging.

Mrs. Helen Page, 92, Dies at Kin's Home

Mrs. Helen Maria Page, 92, a resident of this city for the past 11 months, passed away early Monday at the home of her daughter, Mrs. Harriet Jimerson, at 371 Alameda de las Pulgas.

Mrs. Page, a native of Georgia, Vt., formerly lived in Menomie, Wis.

Besides her daughter, Mrs. Page leaves a son, Frank H. Page, of Fort Monmouth, N. J.; two grandchildren and three great grandchildren. Two brothers, Edwin H. Thomas of Farmington, N. H., and William A. Thomas of Nicholville, N. Y., also survive. Her husband was the late Royal Clark Page.

Mrs. McCleary, Local Resident 12 Years, Passes

Following a period of declining health, Mrs. Mary B. McCleary, 53, for 12 years a resident of this community, passed away Monday night at her home, 903 Madison avenue.

Mrs. McCleary was active in civic and improvement work. She held the post of treasurer of the Greater South Redwood Improvement Club.

She is survived by her husband, Hugh E. McCleary; a daughter, Mrs. Marion English of Millbrae, and a grandson, Robert Francis English. She was a sister of Louis Weber of San Mateo Park, Mrs. Annie Burberck of Burlingame, Mrs. Emma Eads of this city, Mrs. Louise Churma of San Mateo and Martin Weber of Sawtelle.

The funeral will be held Friday at 9 a.m. from the Layng & Tinney Funeral Home. At Mt. Carmel Church a requiem mass will be celebrated at 9:30. Interment will follow in Holy Cross Cemetery at Colma.

Despite killing of 7,228 moose in Sweden during a brief open season, the number of the animals is increasing rapidly.

High School 'Cubs' To Publish Paper

"Cub" reporters on the Sequoia Times, high school publication, will have their second opportunity to prove what they can do in more advanced positions on the staff when they will prepare the second "cub issue" of the paper, to be published May 11.

The cub issues, two each spring, are published to determine the abilities of the "cubs."

In charge of page one will be Allen Gherini, assisted by Willaim Thibadeau. Second page editor will be Betty Martin, aided by Gerene Allsberry. Jack Mayer will be sports editor, assisted by William Dubin.

Fourth page editor will be Jack Duttweiler, Lai Chuck will have charge of social and club news, Robert Langbehn of exchanges, and Shirley Bright will be advertising manager.

W. D. Park of Gering, Neb., supplies himself and neighbors with smoking material from a tobacco "plantation" of 30 plants in his garden.

R. C. Dietetics Class Inspects S. F. Plants

Forty students in the foods and dietetics class at Sequoia high school, accompanied by their instructor, Miss Marjorie Landers, enjoyed an all-day trip to San Francisco Tuesday, visiting commercial plants there.

At the United States Laundry they viewed the various processes through which clothes go in the course of being commercially laundered. Fisherman's Wharf was visited also, and at the M.J.B. Company, the students witnessed the methods of blending and packaging tea, coffee and rice.

A visit to the South San Francisco plant of the Swift Packing Company concluded the trip, the students watching the processes of dressing the various animals, of smoking ham, slicing bacon and other operations in the preparation of meat.

Health department statistics reveal 36 South Carolinians died of "alcoholism" during the 12 months ended June 30.

Sequoians Victors In 'Mail' Chess Game

Sequoia high school chess club members were right last week when they declared they believed they had the Los Gatos high school team "on the spot" as the climax to a chess game that has been going on since January 8 by correspondence.

Word from the Los Gatos team yesterday brought their move—the wrong move—and resulted in that club's being completely "checkmated" by the Sequoians, it was revealed by local club members today. Over the course of time from January 8 to May 3, only 19 moves were completed by each team, which is "slow" even for chess!

The victorious Sequoians, whose advisor is A. M. Cuthbertson, are James Canning, Robert Andreini, Donald Miller, Kirk Stevenson, Joseph Lancaster and Vincent Cleveland.

Council Plans Study of Need For City Hall

Central School Offer, New Building Plan Pondered Here

Solution of the perplexing city hall-public school problem moved a step nearer today as a city council committee, named by the councilmen Monday night, began studies which may be crystallized in a decision being reached as to what to do about the overcrowding question now bothering both the city and school departments.

While councilmen appeared to doubt advisability of calling a bond election very soon to provide a new city hall, it was agreed the proposal of the Redwood City Grammar School District Board of Trustees to sell Central School to the city for $85,000, to be remodeled into a city hall, should be given serious consideration.

As a result, Councilmen James M. Eva and Louis Christensen were named as a committee to consult with City Manager C. L. Dimmitt and other city administrative officers as to possibility of utilizing the school.

TOTAL COST $105,000

Cost of remodeling the building, Dimmitt estimated, would be $15,000. New furniture would cost $5000. Total cost then would be $105,000. With the $85,000 received by the school board from sale of the schoolhouse and its lot, which has 150 feet of frontage on Broadway and runs back to Redwood Creek, two new schools could be built to relieve congestion in the elementary system.

In making his report, Dimmitt estimated that a new city hall, such as that voted on in 1930 and which was then to have cost $65,000, could now be built for no less than $80,000.

The new building, Dimmitt said however, "would undoubtedly prove superior in appearance, more satisfactory for use, and more suitable as to location."

He suggested also that it might be possible to obtain a federal grant of $36,000 on the new hall, leaving the net cost to the city only $44,000.

DESIRABLE LOCATION

As to location, however, some of the councilmen reasoned the Central School location on Broadway at Middlefield would be far more desirable, in that it is nearer the center of the business district and is convenient to the county courthouse.

The police department, it was explained, likely would be moved to the old city hall if the Central School were acquired for a new hall.

Realtor Julius Smith, interested in sale of the school for the school board, pointed out also that development of a city hall there would help build up Broadway; would give a sufficiently large hall; would provide adequate parking space for both city and county employes, and would "kill two birds with one stone" by providing a new city hall and new schools with outlay of the one sum of money. "I feel the building would make a city hall we'd be proud of," Smith declared.

SEES POWER NEED FIRST

Mayor Paul A. McCarthy questioned advisability of a bond issue now for a city hall with a possible issue for purchase of the Pacific Gas & Electric Company's power distribution system in the offing. This, McCarthy said he believed, was the more important of the two immediate problems, although he pointed out also that "with 12,000 people, we're getting along with facilities designed for a town of 3000."

The present city hall was built 25 years ago.

Councilman William Hohn expressed unqualified disapproval of any plan to rebuild the 40-year-old Central School into a city hall, declaring he believed the money should be spent for a new building.

As a result of the discussion, it was decided to leave further research into the problem in the hands of the committee, which was asked to report back at the May 17 meeting.

Reciprocation Helps Woman Win Divorce

BURLINGAME, May 5.—Some time ago Mrs. Eleanor Newman of Burlingame assisted her friend, Mrs. Hilda Byrne of 615 Leavenworth street, San Francisco, to divorce her husband.

Yesterday, Mrs. Byrne turned corroborating witness for Mrs. Newman, who charged that Newman was "cruel, quarrelsome and nagging." As a result, Mrs. Newman won her interlocutory decree in San Francisco from the man she had married in Yuma, Ariz., in 1928. The couple separated last August.

Speeders Pay $52 in Fines

Fifteen persons penalized $1 each for over-time and otherwise faulty parking, 11 fined a total of $52.50 for speeding on county highways, and one fined $2.50 for overlooking a stop sign—this was the record shown today of end-of-the-week traffic court before Judge Edward I. McAuliffe.

The overtime parkers in Redwood City were: Harry T. Meyer, P. Morrissey, W. H. Pfafflin, D. O'Connell, Leroy Kellogg, F. M. Mebach and S. Morris. Faulty parkers were: James A. Miller, H. I. Johnson, C. E. Grover, Carol Doolittle, Ruth Fitzgerald, Nina Casal, Wilbur Kramer and Albert Tranto.

Speeding 70 miles per hour on the Bayshore brought a $15 penalty to Dino Gheladi, San Francisco, while 62 miles per hour there cost Helma Walter, also a San Franciscan, $10. Speeders penalized $5 each were Alvin Hallett of Redwood City and William J. Clewe, Sonoma.

Seven paid $2.50 speed fines: Clara L. Payne of Salinas, Charles E. Brown of Palo Alto, George W. O'Rouke of San Francisco, Beulah Shimmel of San Bruno, W. S. Dreyfuss of San Francisco, Clarence Young of Oakland and Robbert F. Edwards of Hillsborough.

Fined for the stop sign breach was Mariano M. Azcarate of San Jose.

Rasmussen Probate Upheld By McNutt

Denying the petition of four sisters and a brother of the late John C. Rasmussen, 65, San Mateo pioneer, for revocation of probate of his will, Judge Maxwell McNutt on Tuesday established Rasmussen's right to leave his $4820 estate to his landlady, who took care of him in time of illness.

The court's decision reversed that of the jury which on September 3, 1936, found that Rasmussen was of unsound mind when he left his estate to Mrs. Elizabeth Bosshard Ferreira of San Mateo, wife of an accordion instructor.

Rasmussen's will cut off Theodor C. Rasmussen, Mrs. Rasmine C. Koch, Matilde H. Rasmussen, Marie D. Rasmussen and Mrs. Karoline O. Tannenber, all of Copenhagen, Denmark.

Social Conclave Will Draw Many Workers, Leaders

When the California Conference of Social Work holds its 29th annual meeting May 9 to 13 in San Jose, the stimulating program will attract social workers and lay leaders from the entire Pacific Coast, including many from San Mateo county.

Acceptances of invitations to speak at the coming conference have been received from some of the nation's outstanding authorities in the fields of social welfare and labor. They will present and discuss such variations of this year's conference theme—The Individual in this Era of Social Organization—as "Work, Livelihood and the American Chance", "What does Youth Want?", "Why plan Security for the Transient?", "Team Play and American Individualism?", "Does Community Planning work?", and "The Next Step in Security—Health?".

Rapid progress is being made in planning programs of the 25 or 30 kindered groups whose plans and policies for the coming year will be formulated when they meet at the same time and place as the conference.

Membership in California of Social Work is not limited to professional social workers. Directors, board members, and volunteer workers of welfare institutions, contributors to social work, teachers, physicians, lawyers, clergymen, public officials— in fact, everybody interested in human betterment and the common good—are eligible to become members of the conference. Application for membership should be made at the conference premanent office, 20 Second street, San Francisco, where full information regarding railroad rates and hotel accomodations, may be obtained, according to Mrs. Ruth Close of Redwood City, county chairman.
